A 'Welcome' email from esecure@dhl.com will be sent when an existing MyDHL+ user is added as a Customer Administrator for an eSecure enabled account. The same email will also be sent when you are successfully onboarded first time as a Customer Administrator in eSecure.

Dear Prod_ver 03oct,

Thank you for participating in DHL eSecure, an advance feature to administer your DHL Express Account's usage.

Look out for an email sent from dhlSender@dhl.com to create a password for your newly created user profile or login using your existing MyDHL+ credentials at <https://mydhl.express.dhl> to start enjoying this new benefit immediately!

Only approved users can ship using your DHL Express Account(s) in MyDHL+ or eMailship after your account is enabled for security.

If you have any questions or need assistance, please contact us at ecommerce.sg@dhl.com

EASY MAINTENANCE

After eSecure security is enabled, all future attempts to use your DHL Express account in MyDHL+ or eMailship from unauthorized users will trigger an approval request to the customer admin.

A customer admin can easily click on the Approve or Reject button or access MYDHL+ eSecure Menu to make a decision. Upon approval/rejection, the requestor will be notified of the result via an email.

Dear ProdVer ESecure,

There is a request from 1007325+prod.sg.yes@gmail.com to use your DHL account number XXXXXXXXXX for shipping. To review the request, you could login to MyDHL+ at <https://mydhl.express.dhl>. Alternatively, you could click on the Approve or Reject button below.
